**Brief Report on the Event:**

Commemorating “The International Day for the Elimination of Violence Against Women” UN has announced the launch of the UniTE campaign. Taking part in the activism Women Development Cell, Dept of Food Technology organized a debate competition on 06/12/2023. The event was attended by 17 students from various semesters.

Outcome of the Event: Students actively participated in the event and the topics discussed at the event were related to the current socio-economic problems of women. During the discussion, students expressed their views about the topic, which provided an excellent opportunity to enlighten their perspectives.
