

## Report of the Orientation conducted on 17/11/2022

Greetings from the Department of Food Technology!!!

The department of Food Technology organized an Orientation on the “Hazard Analysis Critical Control Points (HACCP) Training”.

Please find the details below:

**Topic: “HACCP Training”.**

**Date and Time: 17<sup>th</sup> November 2022**

**Resource Person:** Nissamudeen Nazar, QHSE consultant trainer, Signature Solutions: Training and Centre

**Venue: Alphonse Hall**

This event is specifically organized for all batches of B. Tech Food Technology students and staff. The event poster and photographs are attached for your reference.

**Outcome** – Nearly **169 participants** attended the programme. The session was informative and interactive. Students were given the orientation class on HACCP course and different levels in HACCP. They were given the class on how to apply for the course. The class also helped them to understand the importance of HACCP in food industry.

The poster features a blue and white color scheme with a hexagonal pattern background. At the top left is the logo of Amal Jyothi College of Engineering, Kanjirapally. Below it, the text reads 'DEPARTMENT OF FOOD TECHNOLOGY'. The main title is 'ORIENTATION HACCP TRAINING'. A circular portrait of Nissamudeen Nazar is on the right. Below the portrait, it says 'Speaker Nissamudeen Nazar (QHSE consultant/Trainer) (Signature Solutions: Training & Centre)'. On the left, a calendar icon indicates 'Thursday, 17 November' from '2pm to 4pm' at 'Alphonsa Hall'. At the bottom left is a circular logo for 'HACCP Hazard Analysis Critical Control Point'.
