

## **Report of the Industrial Visit on 15/07/2022**

Greetings from the Department of Food Technology!!!

The Department of Food Technology organized an industrial visit to “*Malanadu Development Society*”

Please find the details below:

Venue: *Malanadu Development Society, Parathodu*

Date and Time: 15/07/2022, 09:00 AM to 12:00 PM

Programme Coordinator: Ms. Joselin Ann Joy, AP, FT

This event is specifically organized for Final year B. Tech Food Technology students and staff. The event photo is attached for your reference.

**Outcome** – The visit to the Malanadu industry was informative and interactive. The industrial visit offered an insight for the students about the processing, analysis and packaging done for milk, milk products, bakery products and honey. Nearly 60 students and 6 faculties from the department attended the event.
