

Report of the World Food Day celebrations conducted on 19-10-2022 and 20-10-2022

Greetings from the Department of Food Technology!!!

The department of food technology in association with FESTA (Food Engineering Students and Technologist Association) conducted World Food Day celebrations on 19-10-2022 and 20-10-2022.

Please find the details below:

Topic: “World Food Day”

Date and Time: 19-10-2022 (Wednesday), 04:30 PM
20-10-2022 (Thursday) , 02:00 to 04:00 PM

Venue: 19-10-2022- Open Base Stage
20-10-2022- Alphonsa Hall

Program Coordinator: Joselin Ann Joy, Assistant Professor

The students of food technology conducted a flashmob on 19-10-2022 as part of world food day celebrations with the theme “Awareness against Drugs”. The event was conducted at the open base stage from 4:30 pm which was followed by a briefing on the roles fulfilled by a food technologist.

The celebrations were continued further on the next day 20-10-2022 with the event ‘**KOOTT- Leave no one behind**’. The event comprised of addressing the students by our HOD DR J R Anoop Raj sir and our senior faculty DR Sunnichan V George which was followed by a presidential address and games conducted by the students of S7 food technology. The aim of the event was to organise a friendly interactive session within the students and faculty of the department and to establish a stronger bond and connection between the students of various semesters and the faculties.
