Tech fest report

The Department of Food Technology conducted a tech fest, **SPICESTA** as the part of **Azure23** a cultural and technical fest conducted by Amal Jyothi College of Engineering, Koovapally. There was a total of 3 events in which one was conducted as an external event named **Millet Utsav** and the other two was conducted internally which are **Tasters Delight** and **Storilicious**.

Millet Utsav was conducted as an **External event** with regards to the international year of millets celebrations as announced by the UN general assembly. The faculty in charge was Dr. Sunnichan V George and Miss Anjana Anil. The student event coordinators were Miss Nidhi S Kumar and Miss Sneha George. There were 2 teams that were registered to participate for the event. The event started at 10:00 AM which contained 2 rounds where the first round comprised of events that tested the knowledge of the students which included quizzes, logo identification and many more. The second round consisted of a product development program where the participants had to develop a millet-based product with the given basic ingredients and the product was judged based on taste, appearance, and health benefits. The event was concluded at 1:00 PM. The jury consisted of Dr. J R Anoop Raj, Dr. Sunnichan V George & Dr Nikki John Kannampilly. The first prize winners were Miss Sruthilaya Raj & Miss Khiba Rasmin from Calicut University where they were awarded a cash prize of rupees 12,000/- and certificate was also received by them and the second prize winners were Miss Anju Rachel Cherian and miss Nandana Krishnan from Saint Gits college of Engineering who received a cash prize of rupees of 8000/- and certificate for the event.

Tasters delight was an **Internal** event which contained four rounds. The faculty in charge was Dr. Nikki John Kannampilly. The student coordinators were Mr. Manual Jose and Miss Afna Abdul Asiz. There was a total of 12 teams and the final round was played by the six teams that were selected from the previous rounds. The event started at 11:00AM where the first round was the identification of product and ingredients followed by the second round which was duo trio test, the third round was the identification of spices and the final round was to identify the logos of food-based companies. The first prize winners were **Mr. Rengith P, Miss Teena John, Miss Rose Elizabeth Mani and Miss Sandriya C J** of S8 Food Technology and the runners up were **Miss Rosemary James, Miss Uthara P S, Miss Angel Roy & Miss Jiya Mariyam Rajesh** of S6 Food Technology.

The third event that was conducted was **Storilecious- every food has a story**, which was an open stage to share the experience and stories related to food for the participants. The faculty in charge was Miss Athira Anil and the student coordinators were Miss Jinsa Jobe & Miss Sara Nowshad. The event started at 2.30 PM which was an individual event where 7 participants had registered. The event had 2 stages among which first round was to share their personal experience and the second round was to talk about the food they were given. The winner of the event was Miss Rose Elizabeth Mani (S8 Food technology) and Miss Anagha Siby (S8 Food technology) was the runner up of the event. Mrs Joselin Ann Joy and Miss Athira Ajith were the judges of the event.

The prize distribution for the technical fest was conducted at the conference hall (CC 101). The prize distribution ceremony was begun by the delivery of the welcome speech by Miss Nidhi S Kumar (President FESTA). Dr. J R Anoop Raj, Head of the department congratulated the winners and appreciated the event coordinators. Dr. Sunnichan V George gave away the prize for the winners of Millet Utsav, Dr. Yedhu Krishnan R for the winners of tasters delight and Dr. Nikki John Kannampilly for the storilecious winners. The group photo of winners with the faculties was taken and the event was officially concluded at 4:30 PM.
